Subject: RE: CO2 Pipeline

I am advised that until we have an opportunity to survey there is really not much to talk about. Will you clients allow Summit to get surveyors on the property?

CAUTION: EXTERNAL E-MAIL

Lawrence:

1. Let's not argue about history. Your client has known about our clients' opposition for over a year now and done nothing to suggest a solution.
2. In any event, we on behalf of our client and at our client's request, are happy to speak with whoever on your side can discuss re-route options.
3. Please, let's not make this so painful. Put your people who can talk re-routing in touch with us and we can discuss, we can have a Zoom with the clients and walk through the map and options, whatever it takes.
4. Please email us some options during the week of April 29 - May 3.
5. Thank you.

Respectfully,
Brian
