PU-22-391

* The proposed carbon pipeline route was digitized off a PDF map entitled "Figure 4: Overview of Map of Preferred Route and Southern Alternative Route" from Summit Carbon Solution's Bismarck Route Analysis (Doc. 432).

** The original pipeline route was digitized off a PDF map from Summit Carbon Solutions that was titled "40.28 MILES OF ANTICIPATED PIPELINE BURLEIGH COUNTY NORTH DAKOTA" with a note that the "Pipeline centerline is based on the 05/31/2022 route". (See W139; Doc. 136)
