Dear Mary,

My name is Rod Dillon, and I am the Director, Regulatory Compliance in North Dakota. This week, the below letter went out to Emergency Managers along our route in North Dakota. I wanted to be sure you also had a digital copy.

If you have questions, please reach out to me at RDillon@summitcarbon.com, Dave Nehring at DNeiring@summitcarbon.com or Charlie Adams at CAdams@summitcarbon.com.

Linton, ND 58552

**Re: Summit Carbon Solutions**  
**2321 N. Loop Drive Suite 221, Ames IA 50010**

Dear Emmons County Emergency Manager:

We are pleased to announce that Summit Carbon Solutions ("Summit") will provide a grant to each county that will be crossed by our proposed pipeline. Summit will work with Emergency Managers and First Responders along the route to allocate these funds based on their individual needs.

The grant will be \$50,000, plus an additional \$1,000 per mile of pipeline in your county. The funds will be disbursed once all requisite federal, state, and local permits for the pipeline project are secured.

In addition to and separate from this grant, Summit will continue working with you and first responders to identify and support response equipment needs.

Our relationship with the communities where we will operate is invaluable, and as such, we look forward to continuing to build an effective working relationship with your community.

Sincerely,

Summit Carbon Solutions

*James Powell*

Jimmy Powell  
Chief Operating Officer
