vs.

North Dakota Public Service Commission
and SCS Carbon Transport LLC,

Appellees.

PSC Case No. PU-22-391

CIVIL NO. 08-2024-CV-03610

NOTICE TO APPELLANT OF
ESTIMATED COSTS

TO: APPELLANT, EMMONS COUNTY and its attorney Derrick Braaten, BRAATEN LAW FIRM, 109 North 4th Street, Suite 100, Bismarck, ND 58501

[¶ 1] Under North Dakota Century Code Section 28-32-44(2), when a Public Service Commission decision is appealed, the Public Service Commission shall notify the appellant of the estimated costs of preparing and filing the record. The appellant must then pay the Public Service Commission the amount estimated. If the actual costs are more than the estimated costs, the appellant must pay the difference. If the actual costs are less than the estimated costs, the Public Service Commission will refund the difference.

[¶ 2] **PLEASE TAKE NOTICE** that because the existing record will be provided in an electronic format, there will be no costs for preparing and filing the existing record. However, since there is only an electronic copy of the formal hearings and prehearing conferences available in the Public Service Commission's docket, a written transcript of the hearings, the electronic record must be transcribed by a private transcription service.

[¶ 3] The estimate the Public Service Commission has obtained from a private transcription service to transcribe the proceedings, for certified original transcripts, concordances and electronic versions, is forty-nine thousand eight hundred eighty dollars (\$49,880.00). The transcription service is estimated to be completed in three and one-half months.

[¶ 4] If the Appellant requests the transcript, please notify the Commission and remit the estimated cost.

[¶ 5] Dated this 20th day of December, 2024.
