TO: APPELLANT, BURLEIGH COUNTY and its attorneys Randall J. Bakke and Bradley N. Wiederholt, BAKKE GRINOLDS WIEDERHOLT ATTORNEYS, 300 West Century Avenue, P.O. Box 4247, Bismarck, ND 58502-4247

[¶ 1] Under North Dakota Century Code Section 28-32-44(2), when a Public Service Commission decision is appealed, the Public Service Commission shall notify the appellant of the estimated costs of preparing and filing the record. The appellant must then pay the Public Service Commission the amount estimated. If the actual costs are more than the estimated costs, the appellant must pay the difference. If the actual costs are less than the estimated costs, the Public Service Commission will refund the difference.

[¶ 2] PLEASE TAKE NOTICE that because the existing record will be provided in an electronic format, there will be no costs for preparing and filing the existing record. However, since there is only an electronic copy of the formal hearings and prehearing conferences available in the Public Service Commission's docket, and counsel for the Public

Service Commission has been informed that the appellant requests a written transcript of the hearings, the electronic record must be transcribed by a private transcription service.

[¶ 3] The estimate the Public Service Commission has obtained from a private transcription service to transcribe the proceedings, for certified original transcripts, concordances and electronic versions, is forty-nine thousand eight hundred eighty dollars (\$49,880.00). The transcription service is estimated to be completed in three and one-half months.

[¶ 4] Dated this 20th day of December, 2024.
