Dear Mr. Glatt:

Enclosed is a USB drive containing the application for Revision No. 12 to Surface Coal Mining Permit ACPG-9701 held by American Colloid Company for the Page, Perkins, and Tompkins Mine. This revision updates the permit for the next 5-year permit term and identifies the coal removal subareas that will be mined during the next 5-year permit term. The revision includes updates to the legal and financial information, environmental resources, operations, and reclamation plans. Section 1.1.3.12 (Revision Filing Instructions) lists the revised sections of the permit.

The encryption code for the USB drive is **ACCRev12Complete011723**. Please review those portions of the revision application within your areas of responsibility and provide us with comments by March 9, 2023.

If you have any questions, please contact this office.

Sincerely,

for Zanna Brinkman
Director
Reclamation Division
