Hello John,

I have attached what I would normally send to the newspapers with these kinds of public notices, a line ad. Do you want me to send this to our marketing coordinator to change into a display ad? Do you want the public notice to have a black box around it?

Or does the one I have attached suffice?

Thank you!

**STATE OF NORTH DAKOTA
PUBLIC SERVICE COMMISSION**

American Colloid Co.

Revision 12, Permit ACPG-9701

Application

Case No. RC-22-413

NOTICE OF PERMIT REVISION APPROVAL

April 12, 2023

Preliminary Statement

On November 25, 2022, American Colloid Company applied for a permit revision to modify surface coal mining and reclamation operations approved under Permit No. ACPG-9701 for its mine near Gascoyne, North Dakota. This revision identifies the next five-year coal removal subarea and updates legal information, operation plans, and other mining and reclamation plans for the next five-year permit term that will end on April 21, 2028.

The Commission has completed its review of the application and approved the permit revision. The revision will give American Colloid Company the right to modify the mining and reclamation plans in Permit No. ACPG-9701 as described in the revision application.

Notice

Any person with an interest which is or may be adversely affected by this revision approval may request a formal hearing with the Commission within thirty days of the publication of this notice. The request should be addressed to the Public Service Commission, 600 East Boulevard Ave., Dept. 408, Bismarck, North Dakota 58505-0480. American Colloid Co.

Revision 12, Permit ACPG-9701

Application

Case No. RC-22-413

NOTICE OF PERMIT REVISION APPROVAL

April 12, 2023

Preliminary Statement

On November 25, 2022, American Colloid Company applied for a permit revision to modify surface coal mining and reclamation operations approved under Permit No. ACPG-9701 for its mine near Gascoyne, North Dakota. This revision identifies the next five-year coal removal subarea and updates legal information, operation plans, and other mining and reclamation plans for the next five-year permit term that will end on April 21, 2028.

The Commission has completed its review of the application and approved the permit revision. The revision will give American Colloid Company the right to modify the mining and reclamation plans in Permit No. ACPG-9701 as described in the revision application.
