Dear Ms. Hall:

BNI Coal, Ltd.'s January 6, 2023 completeness review response letter for Renewal No. 8 and Revision No. 59 to Surface Coal Mining Permit BNCR-8106 at the Center Mine adequately addresses the items listed in our December 30, 2022 completeness review letter. The application for Renewal No. 8 and Revision No. 59 to Permit BNCR-8106 is deemed complete. You may begin publication of the newspaper notice for the renewal. As required by NDCC 38-14.1-18(1), please submit the affidavit of publication when complete.

Please contact this office if you have any questions.

Sincerely,

Zanna Brinkman
Director
Reclamation Division
