Case No. PU-22-427

NOTICE OF OPPORTUNITY FOR HEARING

On December 22, 2022, Northern States Power Company (NSP) filed an application for approval of tariff modifications to NSP's Electric and Gas Rate Books. The tariff modification will add Martin Luther King Jr. Day as a company holiday beginning in 2023 and will result in a change to the billing cycle by adding the month of February to the months an extended billing cycle may occur.

The issues to be considered in this proceeding are:

1. Whether the proposed tariff changes are reasonable, and
2. Whether the tariff changes should be approved.

Those interested are invited to comment on the application in writing. Persons desiring a hearing must file a written request identifying their interest in the proceeding and the reasons for requesting a hearing. **Comments and requests for hearings must be received by February 24, 2023.** If deemed appropriate, the Commission can determine the matter without a formal hearing.
