Dear Mr. Boger:

The Reclamation Division has reviewed Coteau's August 31, 2023 response to our recent review of Final Bond Release No. 1 to Surface Coal Mining Permit NACT-1801. The Coteau Properties Company may publish the newspaper notice and mail the surface owners and governmental agency letters. Once the letters have been mailed and publication of the public notice has begun, we will coordinate a field inspection of the bond release tract with your office as required by NDCC 38-14.1-17(3).

If you have any questions, please contact this office.

Sincerely,

*for*

Zanna A. Brinkman  
Director  
Reclamation Division
