Re: Cost of Gas Adjustment (COG)
April 2023
Case No. PU-23-009

Great Plains Natural Gas Co. (Great Plains), a Division of Montana-Dakota Utilities Co., will not seek a COG adjustment change for the month of April 2023. The Cost of Gas - Natural Gas Rate 88 tariff, Section 2(b) provides that "Great Plains shall file to reflect changes in its average cost of gas supply only when the amount of change in such COG is at least \$0.25 per dk." The COG adjustment for the month of April 2023 results in a change of less than \$0.25 per dk, and therefore, in accordance with the authorized tariff, Great Plains will not seek a COG adjustment change for the month of April.

Great Plains respectfully requests this electronic filing be accepted as being in full compliance with the requirements of the Commission.
