Northern States Power Company
Advance Prudence – Monticello Nuclear Extension
Application

Case No. PU-23-64

NOTICE OF HEARING

A **Hearing** on the application in Case No. PU-23-64 is scheduled for **May 29, 2024, at 8:30 a.m. Central Time in the Commission Hearing Room on the 12th Floor of the State Capitol, 600 East Boulevard Ave, Bismarck, North Dakota 58505.**

On February 3, 2023, Northern States Power Company (NSP) filed an application for an Advanced Determination of Prudence (ADP) for an extension of the Monticello Nuclear Generating Plant beyond its current 2030 retirement date. The proposed life extension requires investment to expand the existing spent fuel storage on-site as well as a license renewal from the Nuclear Regulatory Commission

The issues to be considered in this proceeding are:

1. Whether NSP's proposed resource extension is prudent?
2. Whether the Commission should grant NSP an advanced determination of prudence?
