Judge Dawson,

Attached is a stipulation where NDPSC Advocacy Staff and Otter Tail Power Company agree on a one-week adjustment to the post hearing briefing schedule adopted at the end of the December 12, 2023, public hearing in Otter Tail's application for an advanced determination of prudence for an on-site fuel storage system at Astoria Station. Obtaining the transcript took a bit longer than anticipated. For reference I have attached the pages from the transcript where post hearing briefing was discussed at the end of the hearing. Under the stipulation Otter Tail's proposed findings, conclusion an order and post hearing brief are due by February 2, 2024, Advocacy Staff's response is due by March 4, 2024, and Otter Tail's surrebuttal is due by March 18, 2024.

Thank you.

Cary Stephenson
