Siting Application

Case No. PU-23-77

NOTICE OF OPPORTUNITY FOR HEARING

On April 1, 2020, in Case No. PU-19-294, the Commission issued Certificate of Corridor Compatibility No. 215 and Route Permit No. 225 to Denbury Green Pipeline-North Dakota, LLC (DGP-ND) and Denbury Green Pipeline- Montana (DGP-MT) for the construction, operation, and maintenance of approximately 9.23 miles of 12-inch diameter CO2 pipeline and associated facilities in Slope and Bowman Counties, North Dakota. On November 17, 2021, in Case No. PU-19-294, the Commission issued First Amended Certificate of Corridor Compatibility No. 215 to DGP-ND and DGP-MT authorizing the addition of five workspaces outside the designated corridor.

On February 24, 2023, DGP-ND and DGP-Montana filed a joint application to transfer Certificate No. 215 and Route Permit No. 225 issued to DGP-ND and DGP-Montana to DGP-Montana.

The issues to be considered in this proceeding are:

1. Whether DGP-Montana agrees and is able to comply with the terms and conditions of Certificate No.215 and Permit No. 225
2. Whether the requested transfer is compatible with the public interest.

Those interested are invited to comment on the application in writing. Persons desiring a hearing must file a written request identifying their interest in the proceeding and the reasons for requesting a hearing. **Comments and requests for hearings must be received by May 12, 2023.** If deemed appropriate, the Commission can determine the matter without a formal hearing.

For more information contact the Public Service Commission, State Capitol, Bismarck, North Dakota 58505, 701-328-2400; or Relay North Dakota 1-800-366-6888 TTY. If you require any auxiliary aids or services, such as readers, signers, or Braille materials please notify the Commission.

Issued: March 29, 2023
