Caavler County Commission Proceedings

On April 18, 2023, at 8:30 a.m. the Board of Commissioners of Cavalier County, North Dakota, met at the Cavalier County Courthouse in regular session, with all members present. The meeting began with the Pledge of Allegiance. Chairman Stanley Dick called the meeting to order and proceeded as follows: Dick asked if there were any changes to the agenda. Nick Moser made a motion to approve the agenda, seconded by David Zink, motion carried. Austin Lathenc made a motion to approve the minutes, seconded by Greg Goodman, motion carried. Greg Intech, Sheriff, and Shene Gathinger, Chief Deputy Sheriff, met with the commissioners for a department update. Stanley Dick discussed the expenses to attend the National Association of Counties (NACo) conference in Austin, TX. Dick asked that the ND Association of Counties Commissioners Association would pay up to \$1,500 of his expense and Thayer County is willing to pay up to \$1,000. Greg Goodman made a motion for the county to pay up to \$1,500 of Dick's expenses to attend the NACo Conference, seconded by David Zink, motion carried. Stanley Dick obtained from voting on the motion. Greg Goodman informed the commissioners that the north wall of the being strip has rotted out and discussed the possibility of putting in all out for bids on an existing building since Con Factor is done building. Local contractors that the push back and snow blowing for the county met with the commissioners to discuss possible ways to reduce the amount of push backs in the future. A number of items were mentioned and the commissioners took this contract for bidding with the maximum amount of snow this winter. Plans to advertise for granting single abatement of county roads this summer were discussed. Tony Johnson, Road Supervisor, Evan Edstrom, Road Foreman, and Jeff Dalry, KLI, met with the commissioners. The contract for the County 55 seal coat project and the Mc Carml Dam seal coat project were agreed, as well as construction engineering contracts with KLI for both projects. They informed the commissioners that they are waiting on estimating a construction meeting for the County 45 line project project, hearing to begin the project the end of May. Johnson stated KLI was the only engineer that submitted for the COF bridge projects, but an interview was still required. The total 2022 county set-

STATE OF NORTH DAKOTA PUBLIC SERVICE COMMISSION

Other Tail Power Company
Case No. PU-23-06
Langdon Wind Upgrade
Revising Application
NOTICE OF PUBLIC AND NOTICE OF OPPORTUNITY FOR HEARING
On May 21, 2023, in Case No. PU-07-28, the Commission issued its Final Order. On July 26, 2008, in Case No. PU-08-159, the Commission issued its Order Granting Partial Certificate Transfer and issued Certificate of Site Compatibility Number 6 to Other Tail Power Company authorizing ownership of a 40.5 MW portion of the Langdon Wind Energy Center in Cavalier County, North Dakota. On March 6, 2023, in Case No. PU-23-95, Other Tail Power Company (OTPC) filed an application to amend Certificate of Site Compatibility Number 6, DTP proposed an amendment to replace the 27 existing 1.5 MW GE 77 motor rotor diameter blades, hubs and gearboxes with upgraded 1.5 MW GE 27 motor rotor diameter blades, hubs and gearboxes. On April 18, 2023, in Case No. PU-23-95, OTPC filed an update to its amendment application, noting that it may replace the 27 existing 1.5 MW GE 77 motor rotor diameter blades, hubs and gearboxes with either upgraded 1.5 MW or 1.6 MW GE generators technology with either 24 motor or 27 motor rotor diameter blades, hubs and gearboxes. The issues to be considered in this proceeding are: 1. Will the location, construction, and operation of the proposed facilities produce normal adverse effects on the environment and upon the welfare of the citizens of North Dakota? 2. Are the proposed facilities compatible with the environmental preservation and the efficient use of resources?
