Re: PU-23-174 – Travis Benson Bin Site – Eddy County

Dear Mr. Kahl,

Northern Plains Electric Cooperative will not object to Otter Tail Power Company providing electric service to Travis Benson as identified in PU-23-174. Provided the extension of electrical service and site location is as identified in Otter Tail's Application for a Temporary Authority Permit dated May 3rd, 2023. Permit is specific to 3-phase 277/480V service only.

Northern Plains Electric Cooperative reserves the right to object to any extension beyond the specific site and service requested.

Sincerely,

A handwritten signature in blue ink that reads "Seth Syverson".
