**AMENDMENT NO. 2  
TO THE INTERCONNECTION/COMPENSATION AGREEMENT  
BY AND BETWEEN  
CONSOLIDATED COMMUNICATIONS NETWORK INC AND VERIZON WIRELESS**

This is the second amendment (“Amendment No. 2”) to the Interconnection/Compensation Agreement by and between Consolidated Communications Network, Inc (“CCNI”) and the Verizon Wireless entities listed on the signature page of this Amendment No. 2., individually and collectively d/b/a Verizon Wireless (“VZW”). Consolidated and VZW may be referred to individually as a “Party” and jointly as the “Parties.”

**RECITALS**

WHEREAS, the Parties, or their predecessors in interest, previously entered into a Interconnection/Compensation Agreement, pursuant to 47 U.S.C. §§251/252, effective May1, 2002 and Amendment No 1 effective July 1, 2012 (“Original Agreement”);

WHEREAS, the Original Agreement contains a provision that authorizes the Parties to amend the Original Agreement based on mutual written agreement.

NOW, THEREFORE, in consideration of the mutual provisions contained herein and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties hereby agree as follows:

**AMENDMENT TERMS**

1. Method of Interconnection. Each Party agrees to exchange Non-Access Telecommunications Traffic indirectly with the other Party via the indirect interconnection method set forth in this Amendment No. 2. The Parties shall exchange Non-Access Telecommunications Traffic indirectly by transiting such Non-Access Telecommunications Traffic through the third-party tandem as identified in the LERG. Notwithstanding the foregoing, each Party may mutually agree to deliver Non-Access Telecommunications Traffic through an alternate service provider to which both parties are connected.
2. For the Non-Access Telecommunications Traffic being exchanged indirectly, each Party acknowledges that it is the originating Party’s responsibility to enter into the appropriate transiting arrangements with the provider of the third-party tandem to which both Parties’ networks are directly interconnected. Compensation to the third party for transiting is covered below in Section 3.
3. For Non-Access Telecommunications Traffic being exchanged indirectly, each Party acknowledges that:
  - a. Except for Non-Access Telecommunications Traffic that falls under the Rural Transport Rule (47 CFR § 51.709), it is the originating Party’s responsibility to enter into the appropriate transiting arrangements with the third-party tandem

provider and to bear all charges payable to such provider for such transit services with respect to such Non-Access Telecommunications Traffic and the cost of all facilities necessary to deliver such Non-Access Telecommunications Traffic to the third-party tandem; and

- b. It is the terminating Party's responsibility to bear the cost of all facilities necessary to receive such Non-Access Telecommunications Traffic from the third-party tandem except as required in the Rural Transport Rule.
4. The POI is the location where one Party's operational and financial responsibility begins, and the other Party's operational and financial responsibility ends for Non-Access Telecommunications Traffic. Each Party will be financially responsible for all facilities and Non-Access Telecommunications Traffic located on its side of the POI.
5. If the third-party tandem or the alternate service provider assesses charges to CCNI for transiting Non-Access Telecommunications Traffic from CCNI's boundary to the VZW POI and the FCC's Rural Transport Rule remains in effect and applicable to CCNI, CCNI will invoice such charges to VZW for reimbursement.
