Dear Mr. Frye:

The Reclamation Division is preparing to recommend Commission approval of Revision No. 35 to Permit NAFK-9503 at a Commission meeting that will be held in January 2024. Consequently, the Falkirk Mining Company must update the ownership and control (business entity) and violation information listed in the Consolidated Legal Information Report, dated September 19, 2023, as required by NDAC 69-05.2-06-01(2)(d) and NDAC 69-05.2-06-02(6)(d), or certify, under oath and in writing, that the current information is still accurate, complete, and up to date. Any updated information submitted for the permit revision application will be subject to an evaluation by OSM's Application Violator System prior to revision approval. This information must be filed with our office no later than 5:00 pm Wednesday, January 3rd. Since the Commission's meeting schedule has not been finalized for 2024, the January 3rd deadline can be extended if needed.

Please contact this office if you have any questions.

Sincerely,

Jonathan Emmer
Director
Reclamation Division
