Oil Pipeline Tariff Filing

North Dakota Public Service Commission
State Capital – 12th Floor
Bismark, ND 58505 - 0480
Attn: Public Utility Division

Tariff Department:

Re: NDPSC Tariff No. 2.46

Enclosed for filing with the North Dakota Public Service Commission (NDPSC) is the following tariff issued by North Dakota Pipeline Company LLC (North Dakota Pipeline):

- NDPSC Tariff No. 2.46 (Local Proportional Tariff), canceling NDPSC Tariff No. 2.45

This tariff bears an issuance date of June 28, 2023 and an effective date of July 1, 2023.

Explanation of Tariff Filing

NDPSC Tariff No. 2.45 was filed on May 31, 2023 for a proposed effective date of July 1, 2023. That tariff was an index compliance filing in accordance with 18 C.F.R 342.3 to adjust the applicable uncommitted rates by the FERC index multiplier of 1.133194 issued by the Federal Energy Regulatory Commission (FERC) on May 16, 2023 in Docket RM93-11, as well as a filing to adjust the committed rates by the FERC index multiplier in accordance with the Transportation Services Agreements (TSAs) signed with committed shippers. In the current filing, NDPSC Tariff No. 2.46, North Dakota Pipeline is no longer applying the July 1, 2023 index multiplier to its uncommitted rates and is bringing forward, in whole, its uncommitted rates unchanged from NDPSC Tariff No. 2.44. However, in accordance with the TSAs, North Dakota Pipeline has applied the July 1, 2023 index multiplier to its committed rates – Table 8 – Committed Trunk Line Rates to Ramberg.

In addition to the aforementioned changes, with the expiry of the Transportation Services Agreements (TSAs) associated with the North Dakota Pipeline and Bakken Pipeline Company LP portions of the Bakken Expansion Program, North Dakota Pipeline is canceling the associated committed rates and operating cost charge (previously contained in Table 7 of the tariff). The final true-up of operating costs and other items will be calculated and settled with committed shippers in accordance with the true-up provisions of the TSAs.

With the cancelation of Table 7, the successive tables in the tariff have been re-numbered.

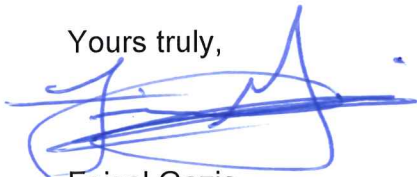

Additionally, the rate for a 1 Year Commitment from Stanley (Mountrail County), ND to Ramberg, ND previously contained in Table 9 (now re-numbered as Table 8) has been canceled, as the underlying contract has expired.

Notification

I hereby certify that North Dakota Pipeline has, on or before this date, provided copies of the above-referenced tariff to each person on the North Dakota Pipeline subscriber list by electronic means or by other means agreed upon.

If you have any questions concerning this filing, please contact the undersigned at (403) 463-3891.

Yours truly,
