Hello! I didn't realize I needed to create one of these public notices into an artistic PDF, so this one took a bit longer. Our designer at NDNA has recently left, so I have been the designer here. Here is the creative proof.

North Dakota Newspaper Association

Please have the attached Notice of Filings and Notice of Opportunity for Hearing with attached map published one time as a legal publication in the next issue of the following newspaper:

Dickinson Press

Please provide the date of publication of the notice.

The map must be published as is. Please publish the map in the size of two or three columns wide. If you cannot publish the map as requested, please let me know as soon as possible.

Do not publish in the classifieds. Please run it as a "News Item Only" article as well.

Send the bill to the Public Service Commission along with a tear sheet for billing purposes.

Please confirm via email that you received this request.

If you have any questions or cannot open the files, please call me at 328-4070 or e-mail.

PUBLIC SERVICE COMMISSION

Tesoro Great Plains Gathering & Marketing LLC Case No. PU-23-255

2.4-mile Renewable Diesel Pipeline – Stark County

Siting Application

NOTICE OF FILINGS AND NOTICE OF OPPORTUNITY FOR HEARING

On June 29, 2023, Tesoro Great Plains Gathering & Marketing LLC (Tesoro) ed an application for Certificate of Corridor Compatibility and Route Permit for an approximately 2.4-mile renewable diesel pipeline located in Stark County, as shown on the attached map.

Also on June 29, 2023, Tesoro filed an application for a waiver of procedures and time schedules established under North Dakota Century Code sections 49-22-07.2, 49-22-08, 49-22-08.1, 49-22-13, and North Dakota Administrative Code section 69-06-01-2 and chapter 69-06-06, requiring separate filings, notices, publications, hearings, and certain time schedules on such applications.

The issues to be considered in the application for a waiver of procedures and time schedules are:

1. Are the proposed facilities of such length, design, location, or purpose that they will produce minimal adverse effects and that adherence to applicable procedures and time schedules may be waived?
2. Is it appropriate for the Commission to waive any procedures and time schedules as requested in the application?

The issues to be considered in applications for a certificate of corridor compatibility and route permit are:

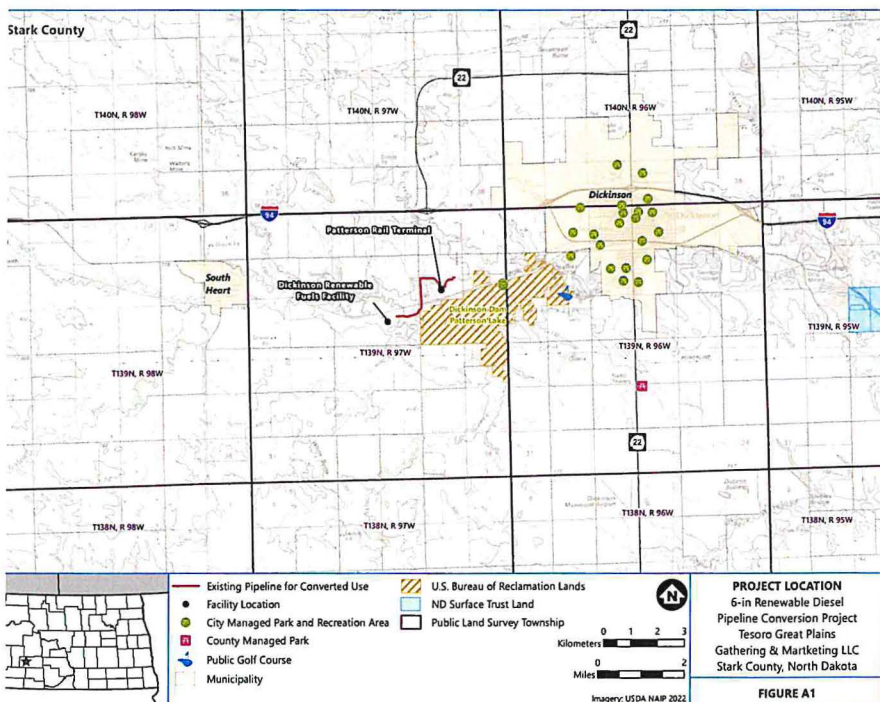

1. Will the location and operation of the proposed facilities produce minimal adverse effects on the environment and upon the welfare of the citizens of North Dakota?
2. Are the proposed facilities compatible with the environmental preservation and the efficient use of resources?
3. Will the proposed facility locations minimize adverse human and environmental impact while ensuring continuing system reliability and integrity and ensuring that energy needs are met and fulfilled in an orderly and timely fashion?

If found that a waiver is appropriate, the Commission may consider the application for a certificate of corridor compatibility and route permit without a hearing.

Those interested are invited to comment on the application in writing. Persons requesting a hearing must file a written request identifying their interest in the proceeding and the reasons for requesting a hearing. **Comments and requests for hearing must be received by September 15, 2023.** If deemed appropriate, the Commission can determine the matter without a hearing.

For more information contact the Public Service Commission, State Capitol, Bismarck, North Dakota 58505, 701-328-2400; or Relay North Dakota, 1-800-366-6888 TTY. If you require any auxiliary aids or services, such as readers, signers, or Braille materials, please notify the Commission.
