 Northern States Power Company
 Case No. PU-23-261
 2022 Power Purchase Agreement Costs
 Compliance
 NOTICE OF OPPORTUNITY FOR HEARING
 On July 3, 2023, Northern States Power Company (NSP) filed a compliance filing in accordance with Section I.B.1 of the Comprehensive Settlement Agreement in Case No. PU-12-813 et. Al. Section I.B.1 requires NSP to annually provide a list of new Power Purchase Agreements (PPAs) less than 50 MW in size that have been included in NSP's Fuel Cost Recovery Rider (FCR) during the previous year. This filing states that the North Dakota jurisdictional share of the costs associated with one 0.19 MW and one 0.38 MW solar facility were added to the FCR in 2022. The issues to be considered in this proceeding are:
 1. Are the PPAs least cost resources?
 2. Is there other relevant information the Commission should consider?
 Those interested are invited to comment on the application in writing. Persons desiring a hearing must file a written request identifying their interest in the proceeding and the reasons for requesting a hearing. Comments and requests for hearings must be received by September 15, 2023. If deemed appropriate, the Commission can determine the matter without a formal hearing.
