Re: PU-23-265 – Greg Rue Fertilizer Facility and Bin Site – Eddy County

Dear Mr. Kahl,

Northern Plains Electric Cooperative will not object to Otter Tail Power Company providing electric service to Greg Rue as identified in PU-23-265. Provided the extension of electrical service and site location is as identified in Otter Tail's Application for a Temporary Authority Permit dated July 13<sup>th</sup>, 2023. Permit is specific to 3-phase 277/480V service only.

Northern Plains Electric Cooperative reserves the right to object to any extension beyond the specific site and service requested.

Sincerely,

Seth Syverson  
General Manager  
Northern Plains Electric Cooperative
