Description of the alleged violation/concern. If more space is required, attach additional page(s). Cobra failed to mark or sign off on a pipeline they claim is present on my property (Sec 7 Twp 158-R95) where Liberty Resources wishes to build a location. One calls were done 3 different times and not one of them was addressed by Cobra. These ticket #'s are as follows: 22158838 call date 12/09/2022, 23051948 call date 06/09/2023, 23059604 call date 06/20/2023. Cobra should not be able to skirt around this law, it is their responsibility and I am going to insist they daylight this line at this point to prove it is there. Cobra did tell Liberty Resources that there was a saltwater pipeline there but wouldn't mark it. Liberty is willing to move the pad but without a completed one call they may unwittingly hit the line. This line has a history of failing and has caused a massive saltwater spill in the past.
