Re: Public Service Commission State of North Dakota vs. Cobra Oil & Gas Corporation-
(Case # DM-23-270)

Dear Mr. Crockford:

Cobra Oil & Gas Corporation (“Cobra”) is in receipt of your letter (the “Letter”) dated July 25, 2023, issued by the Public Service Commission for the State of North Dakota (the “Commission”). Cobra is aware that the One-Call Complaint was made by my Scott Sundhagen at a location identified as Section 7, Twp 158-R95, Tioga, North Dakota.

As instructed in the Letter, Cobra hereby provides its response to the Commission with its written accounts of the events along with the applicable One-Call ticket numbers :

One Call Ticket 22158838- One Call Ticket was received but the line was not marked due to severe winter conditions at the time. Online ticket did not get electronically cleared.

One Call Ticket 23051948- Cobra’s field superintendent met with the construction foreman when they were getting ready to start the pad and physically walked the waterline with him to show where it was. One Call ticket response did not get electronically cleared.

One Call Ticket 23059604- Cobra’s field superintendent met with Jerry from Liberty Midstream at the same location due to the pad being moved 250’ to avoid the waterline. Line was flagged at the field meeting. One Call ticket response did not get electronically cleared.
