**Re: In the Matter of Otter Tail Power Company's Application for Approval of
Tariff Changes to Facilitate Implementation of New Advanced Metering
and Distribution Technology (AMDT) systems and a Variance to
Commission Rules
Case No. PU-23-275
Supplemental Compliance Filing**

Dear Mr. Kahl:

Otter Tail Power Company (Otter Tail) submits this supplemental compliance filing due to an error that was recently discovered during a review and verification of our tariff's versioning. It was identified that Rate Schedule, Section 1.02 Application for service, was not included when drafting and compiling our January 11, 2024 Compliance filing in the above described matter. A non-legislative and legislative version of our Section 1.02 Rate Schedule was included in our July 25, 2023 initial filing and approved in the North Dakota Public Service Commission's (Commission) Order dated January 4, 2024.

Attached to this letter you will find the non-legislative version of Otter Tail's updated Rate Schedule, Section 1.02 Application for service reflecting the Commission approved changes. I appreciate the extra efforts necessary to process this correction.

Copies of this filing have been sent to you via USPS.
