**Wildrose Pipeline Co. / Hawthorn Oil Trans. (ND)
Transfer - Corridor #110 & Route #120
Siting Application**

Case No. PU-23-287

NOTICE OF OPPORTUNITY FOR HEARING

On December 10, 2009, in Case No. PU-19-09-153, the Commission issued Certificate of Corridor Compatibility (Certificate) No. 110 and Route Permit No. 120 to Hawthorn Oil for the construction, operation, and maintenance of approximately 6 miles of 8-inch diameter crude oil pipeline and associated facilities in Mountrail County, North Dakota. On May 28, 2014, in Case No. PU-14-256, Hawthorn Oil filed a certification pursuant to N.D.C.C. section 49-22-03(3) for the construction of a second crude oil pipeline within the designed corridor certificated under Certificate No. 110.

On August 14, 2023, Hawthorn Oil and Wildrose Pipeline Company, LLC (Wildrose) filed a joint application to transfer Certificate No. 110 and Route Permit No. 120 issued to Hawthorne Oil to Wildrose Pipeline Company, LLC.

The issues to be considered in this proceeding are:

1. Whether Wildrose agrees and is able to comply with the terms and conditions of Certificate No. 110 and Route Permit No. 120.
2. Whether the requested transfer is compatible with the public interest.

Those interested are invited to comment on the application in writing. Persons desiring a hearing must file a written request identifying their interest in the proceeding and the reasons for requesting a hearing. **Comments and requests for hearings must be received by October 18, 2023.** If deemed appropriate, the Commission can determine the matter without a formal hearing.
