Description of the alleged violation/concern. If more space is required, attach additional page(s). On August 7, 2023, an Enbridge representative was in the area completing other work when they observed an excavator working near the Enbridge Right-of-Way. Upon further investigation, the Enbridge representative discovered that Forest River Colony & Salvage was completing demolition of an old building directly adjacent to the Right-of-Way which was resulting in excavation occurring directly above Enbridge's Line 81. After reviewing Enbridge's records, the representative was able to determine that this work had been completed without an active one call ticket. The Enbridge representative reminded the crew on-site that a locate is required for this work as the removal of the debris typically results in ground disturbance. The Enbridge representative then stayed on-site until all debris was removed from the pipeline Right-of-Way.
