Date: September 20, 2023

Subject: Request to Initiate 2023 AML Sinkhole Filling Project
PSC Case No. AM-23-310

The 2023 AML Sinkhole Filling Project will fill sinkholes caused by underground mine collapse near Beulah, Zap, and New Salem. Work is expected to be conducted between September and November 2023.

The AML Division has funds to complete this project and recommends the initiation of the 2023 AML Sinkhole Filling Project.
