No problem Erin.

We do still have the original check you submitted. Please let me know to what address/person we should send it back to.

Let me know once you find out about the cultural report.

Thanks,

Victor Schock

Hi Erin,

Here is the siting fee spreadsheet I mentioned. It will calculate the siting admin fee for you, but the application fee you have to enter manually based on the type of facility that is broken down starting on row 22.

Thanks,

Victor Schock

Victor,

The estimated cost of the project is \$31 million. When you get a chance, could you please call me at 701.557.5557? I'd like to make sure that your redacted version is the same as mine.

Thanks,
Erin

Hi Erin,

Appendix C says that it is redacted for cultural resources in both electronic and hardcopy, but there is detail on cultural resources in there. Can you please find out if the correct redacted version is what we received?

Also, the application fee you submitted was \$125k. Can you tell me what the total project cost for this is? The fee may be up to \$150k depending on what the project cost is.

Thanks,

Victor Schock
