Montana-Dakota Utilities Co.  
Generation Resource Cost Recovery  
Rates

Case No. PU-23-339

**NOTICE OF OPPORTUNITY FOR HEARING**

On October 31, 2023, Montana-Dakota Utilities Co. (MDU) filed a change to its Generation Resource Recovery (GRRR) rates to reflect 2024 amortization of Lewis & Clark Unit I and Heskett Units I and II regulatory assets.

The effect of the rate change on the bill for a residential customer using 800 kWh is a decrease of \$0.01 per month compared to the exiting GRRR rate.

The issues to consider in this proceeding are:

1. Whether the investment and associated costs for the resources qualify for recovery,
2. Whether the incurred costs are reasonable and prudent, and
3. Whether the rate adjustments are consistent with the terms of MDU's tariff?

Those interested are invited to comment on the application in writing. Persons desiring a hearing must file a written request identifying their interest in the proceeding and the reasons for requesting a hearing. **Comments and requests for hearing must be received by January 8, 2024.** If deemed appropriate, the Commission can determine the matter without a formal hearing.

For more information contact the Public Service Commission, State Capitol, Bismarck, North Dakota 58505, 701-328-2400; or Relay North Dakota 1-800-366-6888 TTY. If you require any auxiliary aids or services, such as readers, signers, or Braille materials please notify the Commission.
