**RE: In the Matter of the Application and Notice of Otter Tail Power Company  
for Authority to Increase Rates for Electric Service in North Dakota  
Case No. PU-23-342  
Extension Request**

Dear Mr. Kahl:

Otter Tail Power Company (Otter Tail) hereby submits to the North Dakota Public Service Commission (PSC) this request for an extension to file its Compliance Filing in the above-referenced matter. We have been working diligently with parties to finalize the incorporation of certain updated project costs associated with the Langdon Upgrade Projects being rolled into base rates. We have a path going forward and will work to update the financial schedules down to the tariff sheets to reflect the changes. With this extension request we propose an effective date for new rates of March 15, 2025. We will file our Compliance filing on or before February 10, 2025.

An original and 7 copies are being sent via USPS. Please contact me at (218) 739-8774, or [ldonofrio@otpc.com](mailto:ldonofrio@otpc.com) should you have any questions with respect to this filing.

Sincerely,

/s/ LAUREN DONOFRIO
