RE: Case No. PU-23-345
ONEOK Rockies Midstream, L.L.C.
Stateline I and II Gas Plants – Williams County
Siting Exclusion Certification

Thank you for your November 9, 2023, letter notifying the Commission of ONEOK Rockies Midstream, L.L.C.'s intent to commence construction activities to improve the Stateline I and II gas plants by installing a pig launcher, a leak detection meter skid and approximately 1000 feet of in-facility piping.

Paragraph 29 of the Certification Relating to Order Provisions attached to and incorporated by reference in the Commission's May 18, 2011, Findings of Fact, Conclusions of Law and Order in Case No. PU-11-658 states that:

Company understands and agrees that it shall inform the Commission in writing of any modifications the energy conversion facility, or of any plans to modify the site plan for the energy conversation facility. Company understands and agrees to obtain written approval from the Commission prior to any additions or modifications to the site plan or the energy conversion facility, associated facility, and roadway locations. Approval may be granted after notice and opportunity for hearing.

Please accept this letter as a waiver of compliance for the requirements of Paragraph 29 of the May 18, 2011, Certification Relating to Order Provisions. This letter is also to acknowledge that the Commission has received ONEOK Rockies Midstream, L.L.C.'s filing of written certifications under North Dakota Century Code section 49-22.1-01(3)(a) for the improvements at the Stateline I and II gas plants.

Best regards,

Victor Schock
Director Public Utilities Division
