Falkirk Mining Company
Revision 41, Permit NAFK-8705
Application

Case No. RC-23-351

NOTICE OF PERMIT REVISION APPROVAL

May 23, 2024

Preliminary Statement

On December 5, 2023, Falkirk Mining Company filed an application for Revision 41 to Permit NAFK-8705. The permit revision updates various sections of the permit including the legal, business and compliance information, identification of interests and right to entry, operation plans, surface water management, reclamation plans, and wetland design details. Renewal No. 7 allows Falkirk Mining Company to conduct mining and reclamation operations within the permit for another five-year permit term ending on July 6, 2029.

The Commission has completed its review of the revision application and has approved the permit revision. The revision will give Falkirk Mining Company the right to conduct mining operations on the land and to modify the mining and reclamation plans in Permit NAFK-8705 as described in Revision 41.

Notice

Any person with an interest, which is or may be adversely affected by this permit revision approval and renewal may request a formal hearing with the Commission within thirty days of the publication of this notice. The request should be addressed to the Public Service Commission, 600 East Boulevard Avenue, Dept. 408, Bismarck, North Dakota 58505-0480.
