Dear Mr. Tschosik:

On Friday, September 6, 2024, we received the results of grout field testing data and compressive strength tests. The compressive strength tests were performed on September 3 and 4, 2024. Geoserv, Inc. was formally notified on August 28, 2024, that the Public Service Commission had terminated Contract No. AM-898-24. Additionally, the termination letter requested an invoice for all work completed as of August 26, 2024. Since the compressive strength tests were conducted after the contract termination date, we are unable to compensate Geoserv, Inc. for those tests. Please note that payment cannot be made for any tests or services performed after the contract termination date.

Sincerely,

A blue ink signature of Jonathan Emmer, written in a cursive style.
