Dear Mr. Shock:

In accordance with item 30 of the Certification Relating to Order Provisions in the above-referenced case, Basin Electric Power Cooperative (Basin Electric) is providing this notification of a personal injury that occurred at the Project construction site.

On July 12th, 2024, a concrete foundation contractor had his hand pinched as he was installing the concrete chute. The employee was taken to the hospital where X-rays showed a minor fracture to a bone in his hand. The employee was released from the hospital to return to work on minimum duty and will not miss any time.
