Basin Electric Power Cooperative  
Roundup to Kummer Ridge 345-kV Transmission Line Project

Dear Mr. Shock:

In accordance with item 30 of the Certification Relating to Order Provisions in the above-referenced case, Basin Electric Power Cooperative (Basin Electric) is providing this notification of a personal injury that occurred at the Project construction site.

On October 12<sup>th</sup>, 2024, at approximately 10:00am, the construction crew was preparing to cut the conductor using a band saw. As a worker began to cut, the band saw blade became pinched in the conductor. When the worker attempted to free the blade, he cut his left-hand thumb, through his work gloves. An all-stop took place and first aid was rendered. The worker continued working that day and is on light duty.
