**RE: Cost of Gas Adjustment (COG) January 2024  
Case No. PU-24-009; and**

**Interim Rates Compliance Filing  
Case No. PU-23-341**

Great Plains Natural Gas Co. (Great Plains), a Division of Montana-Dakota Utilities Co., will not seek a COG adjustment change for the month of January 2024. The Cost of Gas - Natural Gas Rate 88 tariff, Section 2(b) provides that "Great Plains shall file to reflect changes in its average cost of gas supply only when the amount of change in such COG is at least \$0.25 per dk." The COG adjustment for the month of January 2024 results in a change of less than \$0.25 per dk, and therefore, in accordance with the authorized tariff, Great Plains will not seek a COG adjustment change for the month of January.

Great Plains respectfully requests this electronic filing be accepted as being in full compliance with the filing requirements of this Commission.

The attached Rate Summary Sheet (205<sup>th</sup> Revised Sheet No. 1.1) reflects the inclusion of the Interim Rate Increase in accordance with the North Dakota Public Service Commission's December 13th Order on Interim Rates and the Cost of Gas rates effective January 1, 2024. Individual Schedules can be found in Case No. PU-23-341 – Interim Rates Compliance Filing.
