Case No. PU-24-79

NOTICE OF OPPORTUNITY FOR HEARING

On April 8, 2015, in Case No. PU-14-689, the Commission adopted Findings of Fact, Conclusions of Law and Order issuing Certificate of Corridor Compatibility number 164 and Route Permit number 176, to Caliber Midstream Partners (n/k/a Caliber Midstream Partners LLC), for the construction, operation, and maintenance of approximately 4.4 miles of six-inch natural gas pipeline and associated facilities in McKenzie County, North Dakota.

On January 11, 2023, in Case No. PU-21-441, the Commission adopted Findings of Fact, Conclusions of Law and Order issuing Certificate of Corridor Compatibility number 229 and Route Permit number 239, to Caliber Midstream Partners (n/k/a Caliber Midstream Partners LLC), for the construction, operation, and maintenance of approximately 2.62 miles of eight-inch natural gas pipeline and associated facilities in McKenzie County, North Dakota.

On February 16, 2024, Caliber North Dakota LLC and Valence Natural Gas Solutions LLC filed with the Commission a joint application to transfer Certificate Numbers 164 and 229 and Permit Numbers 176 and 239 to Valence Natural Gas Solutions LLC.

The issues to be considered in this proceeding are:

1. Whether Valence agrees and is able to comply with the terms and conditions of Certificate number 164 and Permit number 176 issued on April 8, 2015, and Certificate number 229 and Permit number 239 issued on January 11, 2023, respectively; and
2. Whether the requested transfer is compatible with the public interest.

Those interested are invited to comment on the application in writing. Persons desiring a hearing must file a written request identifying their interest in the proceeding and reasons for requesting a hearing. **Comments and requests for hearing must be received by April 19, 2024.** If deemed appropriate, the Commission can determine the matter without a hearing.
