Applicant is required to meet the conditions described below:

The Petition for Conditional Use Permit and appropriate fee have been filed; maps of the proposed sites were provided; a public hearing was held on the 14th day of February 2024 in the Meeting Room of the Logan County Courthouse at Napoleon, North Dakota, with several persons in attendance. At the hearing, Badger Wind, LLC representatives explained the proposed project, the anticipated commencement and completion dates along with explaining the setback requirements. The majority of the persons present were in favor of the proposed project, and **The Conditional Use Permit was thereafter granted on February 23, 2024** by the Board of Logan County Commissioners, subject to those reasonable restrictions set forth in Logan County Zoning Ordinance 6.11, signing of a new road use agreement, compliance with load pass restrictions and all work to be completed by the end of calendar year 2026.

Zoning Administrator, or Chairperson of the Logan County Zoning Commission

The ND State Building Code states: "Every (building) permit issued shall become invalid unless the work on the site authorized by such permit is commenced within 180 days after issuance or if the work authorized on such permit is suspended or abandoned for a period of 180 days". The Logan County Zoning Regulations specify in Section 8.2.7.2 that, "No alternation of a conditional use shall be permitted unless approved by the Zoning Commission. Where the Zoning Commission has approved or conditionally approved an application for a conditional use, such approval shall become null and void within twelve (12) months of the date of the Zoning Commission action unless the use is commenced, construction is underway or the current owner possesses a valid building permit".
