Siting Application

Case No. PU-24-87

NOTICE OF HEARING

A **Hearing** on the application in Case No. PU-24-87 is scheduled for **July 1, 2025, at 8:30 a.m. Central Time in the Commission Hearing Room on the 12th Floor of the State Capitol, 600 East Boulevard Ave, Bismarck, North Dakota 58505.**

On April 16, 2025, Badger Wind, LLC filed a Request for Waiver of Requirement to install a Light-Mitigating Technology System for 9 of the 92 turbines anticipated to be constructed on the Badger Wind Project in Logan & McIntosh Counties, North Dakota. The Federal Aviation Administration did not approve the use of an aircraft detection lighting system on these 9 turbines and is requiring that standard synchronized red lights be utilized.

The issue to be considered in this proceeding is whether a waiver of requirement should be granted based on technical or economic feasibility.

For more information contact the Public Service Commission, State Capitol, Bismarck, North Dakota 58505, 701-328-2400; or Relay North Dakota, 1-800-366-6888 TTY. If you require any auxiliary aids or services, such as readers, signers, or Braille materials, please notify the Commission at least 24 hours in advance.
