**Re: Badger Wind, LLC
Amend - Badger Wind Project – Logan and McIntosh Counties
Siting Application
Case No. PU-24-087**

Dear Mr. Johnson:

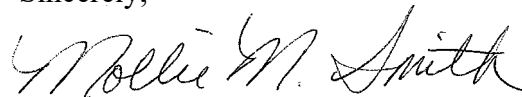

In accordance with Provision No. 34 of the Certification Relating to Order Provisions – Wind Energy Facility Siting, which is part of the North Dakota Public Service Commission’s Findings of Fact, Conclusions of Law and Order, dated September 11, 2024, issuing First Amended Certificate of Site Compatibility No. 64 for the Badger Wind Project, Badger Wind, LLC hereby submits the following:

1. Approved site and as-builts for the Project;
2. Turbine identification number key;
3. USB drive containing GIS as-built data.

An electronic copy of this letter and the approved site and as-builts for the Project were filed with the Commission today via e-mail. Hard copies and a USB drive containing GIS as-built data are being sent to the Commission via Federal Express.

If you have any questions, please let me know.

Sincerely,

MOLLIE M. SMITH
