

Badger Wind, LLC - Monthly Construction Report – May 2026

Badger Wind, LLC (Badger Wind) submits the following construction report for the month of May 2026. Badger Wind is located in Logan and McIntosh Counties. The Project achieved its Commercial Operations Date on 21 January 2026. The current phase of construction continues the limited scope of construction that commenced in late 2024.

Summary of Major Activities Completed in May

- EPC Contractor mobilization back to site.
- Completion of all tree and shrub planting in accordance with the Project's Tree and Shrub Mitigation Plan.
- Resumption of civil reclamation of roads and turning radii (~75% complete).

Forecast of June Activities

- Civil reclamation to continue into June.
- Remaining punchlist items to be addressed in June and following months
