Re: Bond Release No. 2 to Permit GRGR-0501

Dear Director Emmer,

The following letter is in response to the email we received from PSC dated July 18, 2024, regarding submitting the bond release application. Updates have been made and are listed below.

1. Bookmarks are now included in the 97-page pdf to allow navigation to Attachments.
2. Attachment VII (General Information) now reflects 20.2 acres of disturbed land and 8.7 acres of undisturbed land under Bond Release No. 2. This information is located on page 76 at the end of the second paragraph.

Thank you for your consideration.

Sincerely,

Miroslav Zvyagelskiy
