Importance: High

Hello!

Attached is a request from Montana-Dakota Utilities Co. for Temporary Authority to extend electric service to Matt Geiger (Lake Etta Estates) at a location in Kidder County, North Dakota.

Please review this request as soon as possible and let me know whether the Cooperative will protest this application.

*Have a great day!

Comments:

We have given the REC a heads up on this project, but do not know if they intend to protest or not. They are significantly farther away with their facilities to service single phase power to customer.

MDU will be required to install ~302' of UG 1 phase primary to the start of the subdivision (Point A). The cost to extend to the site is \$11,419. The estimated cost to serve the subdivision is \$59,413. Total cost for extension to and within subdivision is \$70,832. (Estimated Customer Contribution = \$70,832.00 for extension to and through the subdivision). See map for more detail.

KEM would be required to install ~9,820' of 1 phase primary to the start of the subdivision (Point A).
