RE: SUPPLEMENTAL INFORMATION - SERVICE AREA AGREEMENT BETWEEN  
XCEL ENERGY AND CASS COUNTY ELECTRIC COOPERATIVE  
CASE NO. PU-24-181

Dear Mr. Kahl:

Northern States Power Company, doing business as Xcel Energy, submits this correspondence as supplemental information in the above noted matter. In discussions with Staff, a question arose as to whether the City of Fargo must approve the Service Area Agreement that was filed between the Company and Cass County Electric Cooperative (CCEC). This letter serves as a response to that question.

Upon review of the applicable sections of the ND Century Code and our Electric Franchise Ordinance with the City of Fargo, it is the position of the Company that express approval of the Service Area Agreement is not required from the City of Fargo.

Notwithstanding the conclusion above, the Company coordinated with the City of Fargo, which confirmed that it does not have concerns with the proposed Service Area Agreement between CCEC and the Company.

Please contact me at [alex.j.nisbet@xcelenergy.com](mailto:alex.j.nisbet@xcelenergy.com) if you have any questions regarding this filing.

Sincerely,

/s/
