Most AAPI adults support teaching on race issues

AP-NORC poll respondents favor lessons on racism

ANNIE MA AND LINLEY SANDERS

WASHINGTON — U.S. schools should teach about issues related to race, most Asian Americans, Native Hawaiians and Pacific Islanders believe. They also oppose efforts to restrict what subjects can be discussed in the classroom, according to a new poll.

In the survey from AAPI Data and The Associated Press-NORC Center for Public Affairs Research, 71% of AAPI adults favor teaching about the history of slavery, racism and segregation in K-12 public schools. The same share also said they support teaching about the history of Asian American and Pacific Islander communities in the United States, while about half support teaching about issues related to sex and sexuality.

Across the country, conservative members of state legislatures and school boards made efforts to restrict teaching about race and gender in classrooms. AAPI Democrats are more supportive of these topics being taught in classrooms than AAPI Republicans.

Only 17% of AAPI adults think school boards should be able to limit what subjects students and teachers talk about in the classroom, and about one-quarter of AAPI Republicans are in favor of these restrictions.

The poll of 1,068 U.S. adults who are Asian American, Native Hawaiian and Pacific Islanders was conducted April 8-17 using a sample drawn from NORC's

probability-based Amplify AAPI Panel, designed to be representative of the Asian American, Native Hawaiian and Pacific Islander population. Online and telephone interviews were offered in English, the Chinese dialects of Mandarin and Cantonese, Vietnamese and Korean. The margin of sampling error for all respondents is plus or minus 4.7 percentage points.

The results indicate that efforts to politicize education through culture war issues have not gained strong inroads in Asian American communities, said Karthick Ramakrishnan, a public policy professor at the University of California, Riverside, and founder of AAPI Data.

"Even as parents are concerned and engaged in various ways with K-12 education, the culture wars are not something that resonate with AAPI parents," he said. "I think that's important because there's so much news coverage of it and certainly a lot of policy

activity." AAPI Americans are a fast-growing demographic, but small sample sizes and linguistic barriers often prevent their views from being analyzed in other surveys.

Glenn Thomas, a 53-year-old father to three children in public schools who identifies as a political independent and is Japanese and white, said that while he does not oppose classrooms covering topics such as race and gender, he does not think they should be the sole focus of how curriculums are designed.

"I'm kind of old-school, reading, writing, arithmetic," he said of how schools approach topics like gender and race. "I don't think it necessarily needs to be taught as separate curriculums."

Thomas, whose family has lived all over the country because of his career in the military, said the influence of politics and external actors in public schools varied greatly depending on where

they lived. In Florida, where he currently lives, he thinks the state government too heavily influences schools.

Nationally, 39% of AAPI adults say that they follow news about their school boards, while just 13% say they attended a local school board meeting and 18% have communicated in-person or online with a school board member. When it comes to elections, 28% voted in a local school board election.

While those percentages are roughly consistent with the general public, AAPI adults are slightly less likely to say they voted in a school board election.

Because a high percentage of Asian Americans are immigrants, Ramakrishnan said, many did not grow up in the same political system as the U.S., where there is a high level of local control and influence over schools. A lack of outreach from mainstream institutions also may contribute to a lower level of engagement, he added.

"It takes a fair amount of effort to learn how the system works and how to have influence in that system," he said. "Given the high level of interest that (Asian American and Pacific Islander) parents place in education, you would expect higher rates of participation."

Varisa Patraporn, a Thai American mother of two public school children in California, said she is a consistent voter in local elections, given the importance of those individuals in making decisions that affect schools. In Cerritos, where she lives, candidates tend to host events and send out mailers during elections, reflecting a robust campaign for seats on the school board.

Patraporn said that while she communicated with school board members, she has not attended a school board meeting. Part of that, she said, is because the meetings happen in the evening and are harder to attend for parents who have young children or other obligations. That means the parents who do attend and speak up can have a disproportionate amount of sway.

Patraporn said that she wants the school curriculum to be more diverse and inclusive, despite pushback from some parents who do not want discussions of race in the classroom. She said she often supplements her children's reading to expose them to a wider range of perspectives beyond what they get from their assignments.

"Those conversations have started, but there's a lot of resistance in our community to that," she said. "There's a lot of resistance in terms of being fearful of what it means to actually talk about race."

NOTICE OF OPPORTUNITY FOR HEARING

Minutes of the Devils Lake City Commission
May 6, 2024
The regular meeting of the Devils Lake City Commission was held on May 6, 2024 with the following members present: President Moe, Dale Robbins, Jason Pierce, and Rob Hach.
Commissioner Hach moved to approve the minutes of the regular Commission meeting held on April 15, 2024. The motion was seconded by Commissioner Pierce, and the motion carried unanimously.
NDDOT Commemorative Coin Award – Traffic Safety – TF Rey Hennen – President Moe Presented Task Force Officer Rey Hennen with his NDDOT Commemorative Coin Award for Traffic Safety. Officer Hennen has demonstrated leadership in

enforcement safety of traffic laws by issuing 448 traffic citations/arrests. Traffic enforcement statistics exhibit consistent and solid enforcement which has saved lives on North Dakota Roads. His traffic safety contributions consist of participating in occupant protection, impaired driving, and speed overtime enforcement. He also has a nonstop work ethic to put in as many hours as possible to enforce laws.
Devils Lake Police Department Appreciation – Officer Darin Rixen – President Moe presented Officer Darin Rixen with his Devils Lake Police Department Appreciation award. Officer Rixen has benefited the agency and its officers through his on-duty and off-duty donated contributions, including serving multiple roles as a senior officer and helping revamp the agency lab, conference room, and patrol sergeant's office.
Life Saving – Sergeant Andrew Johnson, Officer Damond Brokke, & Officer Amber Scheen – President Moe presented Sergeant Andrew Johnson, Officer Damond Brokke, & Officer Amber Scheen with their Life Saving Award. Officer Amber Scheen responded to a call on 12/27/2023 for an approximately 60-year-old man who collapsed after playing basketball. She correctly attached the AED pads, administered the AED, and then began CPR. The male started to breathe on his own before ambulance personnel arrived.
Sergeant Andrew Johnson, Officer John Mickelson (Currently with WF PD), and Officer Damond Brokke responded to a call on 09/09/2023 at a local restaurant to a 60-year-old female who was choking and completely blue and nonresponsive. Officers conducted chest compressions and cleared the airway. Her pulse was restored.
Wade Sharbo – 20 years – President Moe thanked Wade Sharbo for his 20 years at the City of Devils Lake.
2024 Arbor Day Proclamation – President Moe read through the 2024 Arbor Day Proclamation and proclaimed May 17, 2024 as Arbor Day.
Lake Region Ambulance Service – Sean Roed communicated that the Lake Region Ambulance Service is out of money and that the board of directors did not want to ask the taxpayers for money at this time. There are only a couple of ambulance services that are not in this situation, but they are also owned by hospitals. He communicated that the reimbursement rate being allocated by insurance companies is the reason that they are not receiving the funds from billing. He mentioned that they are asking for a signed guarantee on a short-term loan for roughly \$100,000 (\$50,000 from City and \$50,000 from County). He mentioned that if a surrounding area closes their ambulance service, he has to pick them up. He communicated that there are five that will be closing in the near future. Each mill is worth \$71,000 and they are going for roughly \$600,000. If they are not able to secure a loan, they will have to close their doors due to not having the funds to remain open. The counties they cover are Ramsey, Benson, Towner, Eddy, Nelson, and Cavalier. The \$100,000 will cover them until the end of July and if the tax district passes, they will be able to secure a long-term loan. Commissioner Pierce made a motion to cosign with the county with the obligations to be determined. Commissioner Robbins seconded the motion. The motion carried unanimously on a roll call vote.
Safe Alternatives for Abused Families – Rob Johnson and Melandice Deplazes gave an update on Safe Alternatives for Abused Families. Rob com-

2024 Arbor Day Proclamation – President Moe read through the 2024 Arbor Day Proclamation and proclaimed May 17, 2024 as Arbor Day.
Lake Region Ambulance Service – Sean Roed communicated that the Lake Region Ambulance Service is out of money and that the board of directors did not want to ask the taxpayers for money at this time. There are only a couple of ambulance services that are not in this situation, but they are also owned by hospitals. He communicated that the reimbursement rate being allocated by insurance companies is the reason that they are not receiving the funds from billing. He mentioned that they are asking for a signed guarantee on a short-term loan for roughly \$100,000 (\$50,000 from City and \$50,000 from County). He mentioned that if a surrounding area closes their ambulance service, he has to pick them up. He communicated that there are five that will be closing in the near future. Each mill is worth \$71,000 and they are going for roughly \$600,000. If they are not able to secure a loan, they will have to close their doors due to not having the funds to remain open. The counties they cover are Ramsey, Benson, Towner, Eddy, Nelson, and Cavalier. The \$100,000 will cover them until the end of July and if the tax district passes, they will be able to secure a long-term loan. Commissioner Pierce made a motion to cosign with the county with the obligations to be determined. Commissioner Robbins seconded the motion. The motion carried unanimously on a roll call vote.

NOTICE OF OPPORTUNITY FOR HEARING

Case No. PU-24-168

STATE OF NORTH DAKOTA
 PUBLIC SERVICE COMMISSION
 Consolidated Communications Networks, Inc. Designated Eligible Carrier Expansion Application

On April 22, 2024, Consolidated Communications Networks, Inc. (CCN) filed, as a non-incumbent local exchange carrier, an application for designation as an eligible telecommunications carrier (ETC) for the purpose of receiving federal universal service support for low-income consumers under 47 CFR Part 54 Subpart E. Such designation is also known as Lifeline-only ETC designation. CCN proposes to provide Lifeline universal services to qualifying low-income North Dakota customers by using its own facilities.

The issues to be considered in this proceeding are:

1. Is the applicant qualified under the Telecommunications Act of 1996, Section 214(e) for designation as an ETC eligible to receive federal universal service funding?
2. What ETC universal service support area should be designated?
3. Is designation of the applicant as an ETC in the public interest?

gles and #3 singles. At #2 doubles, Abby Martineck and Ella Olson faced Kyra Stahl and Hannah Dorrheim. The Patriot pair took the first set 6-1, but Martineck and Olson bounced back to take the second set 6-4. In the third set, the two teams battled back and forth, but in the end, Stahl and Dorrheim won 7-5 to take a 1-0 lead in the match. At #2 singles, the sophomore Georgia Zaun went to a third set to get by Ava Dunlop 6-4, 3-6, 6-4, tying the match at 1. At #3 singles, Kyla Jorgenson got by a determined Skye Nielson in straight sets 6-3, 6-1 to take a 2-1 lead in the match. Up next was #1 doubles and singles. In #1 doubles, Breck Sufficool and Alyssa Thomsen played a near flawless match to win 6-3, 6-0 to tie the team match up at 2. It would come down to the sophomore Kailee Nielson against senior Erika Lee and Nielson fought to a straight set win 6-4, 6-3 to give the Hi-Liners a 3-2 team win and a birth in the semifinals.

Semifinals: Valley City 3, Bismarck Legacy 2

It came down to the #1 doubles between Valley City and Bismarck Legacy. It was a rematch of last year's quarterfinal match in the state tournament when the Sabres knocked off the Hi-Liners 4-1.

This year the matchup was to see who would be playing for a state championship.

Valley City jumped out to a 2-0 lead with wins at #3 singles when Skye Nielson took Cambrya Kraft 6-2, 6-1 then in the #2 doubles, Abby Martineck and Ella Olson outlasted Cassidee Jones and Caylin Kraft 6-2, 1-6, 6-4 to give the Hi-Liners a 2-0 lead.

In the #1 and #2 singles, Legacy picked up wins. At #2 Halle Severson got by Georgia Zaun in a hard fought two seter, 6-4, 6-2. At #1 singles, Aleah McPherson

defeated Kailee Nielson 6-1, 6-3.

It would then come down to #1 doubles. Breck Sufficool and Alyssa Thomsen took an undefeated record as doubles partners into the match, and stayed undefeated with a 6-1, 6-3 win to set up a match that will have the only two undefeated teams in Class A meeting for the championship, 16-0 Valley City versus 22-0 defending state champ Minot.

Championship Valley City 3, Minot 2

In the state championship match, the Hi-Liners changed up their lineup from the first two matches. At #1 and #2 doubles they went with same four that will be competing in the individual tournament this weekend in the doubles draw. Breck Sufficool and Abby Martineck at #1 doubles with Kailee Nielson and Georgia Zaun at #2 doubles. In the singles, Ella Olson was at #2 and Alyssa Thomsen was at #3 with Skye Nielson at #1

In #2 singles, senior Ella Olson took on Kylie Fettig and fell to the sophomore 6-0, 6-0. At #3 singles, senior Alyssa Thomsen took on senior Sienna Ronning and dropped a 6-0, 6-0 decision making it 2-0 Minot.

At #2 doubles, Kailee Nielson and Georgia Zaun, whose only two losses on the season came in the EDC tournament when they lost to teammates Breck Sufficool and Abby Martineck in the semifinals and to Madeline Abbott and Mary Wolf in the third place match. The super sophomores kept the Hi-Liners alive with a 6-4, 6-1 win over Ava Thuner and Reese Goodman, cutting the Majettes lead in half to 2-1 with the #1s left to play.

At #1 doubles, the defending state champs and #2 seeded duo of Breck Sufficool and Abby Martineck faced the sister duo of Grace and Lila Olson, who are

the #4 seeded doubles team from the west coming into the state tournament. Sufficool and Martineck downed the Olson's 6-4, 6-3 leaving it up to Skye Nielson, just like at the EDC Tournament, but at the EDC, Skye was at #3 singles.

At #1 singles eighth grader Skye Nielson was called upon to take the bull by the horns and face Sidney Ressler who was the #3 seed in the WDA tournament but she retired after losing the first set in the state qualifying match to teammate Reese Goodman who went on to claim 5th place in the tournament.

Nielson did what she has done all year, calm cool and not acting like an eighth grader, won in straight sets 7-5, 6-2, setting off a huge celebration. It was the first loss in a dual match for Minot since they lost in the state championship match to Fargo Davies in 2022, a span of 40 matches. And it is the first time since 1971, that Valley City has won a state girls tennis team title. And that year they tied with Grand Forks Central. The Hi-Liners end their season 17-0

In the third place match, West Fargo Sheyenne would face Bismarck Legacy.

In the third place match, West Fargo Sheyenne would face Bismarck Legacy. The Mustangs would defeat the Sabres 3-2.

In the fifth place match, Fargo Davies won all three singles matches and Grand Forks Red River won both doubles matches giving the Eagles the consolation championship with the 3-2 win.

Hi-Liner Coaches Recap Information courtesy of Hi-Liner Tennis Coches

After winning the state championship at 11pm last night, the Hi-Liners had to eat supper and come down from that high to get some sleep to play in the individuals tournament.

The defending state

doubles champions Breck and Abby cruised in their opening match. In the second round, they found themselves down 5-2, but rallied to win 5 straight games to take the set. They were high energy in the second set to win and put themselves into the semifinals tomorrow.

Breck and Abby will face the #1W Legacy team at 11am in Grand Forks.

Kailee and Georgia had a very tough test in the first round with Century's #1 team of Lee and Dunlop. They regrouped after losing the second set and won a close third to move into the quarterfinals. In the quarters, we started hot going up 5-0. Legacy then settled in and never made the error to lose the set. It took an extra 12 points in the tiebreak to decide the first set, which Legacy did and then upped their game in the second set to send us to the back draw. In the consolation side, we matched up with the always scary GFC team. It seems like the Hi-Liners always brings out the best in the Knights and they played lights out to beat us in three sets. With the loss, Kailee and Georgia's individual tournament is done.

Skye opened up her singles tournament like she finished the team tournament, developing and finishing points, to then move to the winner's bracket. There, she faced the odds on favorite in #1E Gu who sent Skye to the consolation draw. In the back draw, Skye matched up with Kyla Jorgenson that beat her in the opening round of team play. Skye cruised through the first set, but had a hiccup in the second set with some imperfect footwork. She righted the ship and finished the match. This puts her in the consolation semifinal tomorrow morning at 10am against the #2W from Minot.
