**Case No. PU-24-219**

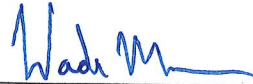

**GRAYSON MILL OPERATING, LLC'S  
REQUEST FOR EXTENSION OF TIME**

On May 31, 2024, pursuant to North Dakota Century Code section 49-22.1-23, Grayson Mill Operating, LLC (“Grayson Mill”), through its undersigned counsel, submitted its Request for Approval of Temporary Facility Operations (“Request”) (Docket No. 1) seeking Commission approval for temporary pipeline facility operations and modifications. On July 8, 2024, the Commission issued its Order (Docket No. 3) approving the Request. The Order approving the request provided that Grayson Mill shall file a siting application for the pipeline on or before August 1, 2024.

Grayson Mill’s siting application is substantially complete and is currently in the process of being finalized and sent for printing and assembly before filing. It is anticipated that these final steps in completing the application may extend slightly beyond the August 1, 2024 deadline. The undersigned has reached out to Commission Staff to communicate the current status of the siting application and Staff has indicated that they are agreeable to extending the filing deadline to August 16, 2024.

Therefore, Grayson Mill respectfully requests an extension of time to file the siting application until August 16, 2024.

Dated this 29<sup>th</sup> day of July, 2024.
