Re: Bridger Pipeline LLC—Tariff Filing

Dear Mr. Kahl:

Bridger Pipeline LLC (“Bridger”) hereby submits for filing its oil pipeline tariff, North Dakota Tariff No. 5 to become effective on July 1, 2024. North Dakota Tariff No. 5 cancels and replaces Bridger’s current North Dakota Tariff No. 4.

Bridger is filing Tariff No. 5 to adjust its rates in accordance with the Federal Energy Regulatory Commission’s (“FERC”) annual index. Specifically, FERC issued its Notice of Annual Change in the Producer Price Index for Finished Goods, 187 FERC ¶ 61,077 (2024), which established the index adjustment of positive 1.012647 that is applicable to the period July 1, 2024 to June 30, 2025 (“July 2024 Index”). As such, Bridger has increased its rates in the tariff to reflect application of the July 2024 Index. Bridger has not proposed any other changes in the tariff.

I hereby certify that, on or before this date, copies of the publication attached hereto have been sent to each subscriber by electronic service, or by other means of transmission agreed upon in writing by the subscriber.

Bridger requests that any challenge of this filing be telefaxed at the time the protest is filed to Deborah Repman, fax number 713.357.6775.

Should you have any questions, please contact me by telephone at 713.357.6241 or by email communication at [drepman@cblenergylaw.com](mailto:drepman@cblenergylaw.com).

Respectfully submitted,

/s/ Deborah R. Repman
