NORTH DAKOTA
PUBLIC SERVICE COMMISSION

July 1, 2024

Mr. Jonathan Emmer
Director Reclamation Division
Public Service Commission
600 East Boulevard Avenue
Department 408
Bismarck, ND 58505-0480

Dear Mr. Emmer:

As requested, enclosed are nine USB flash drives containing Revision 13 to Surface Coal Mining Permit NACC-1302. Revision 13 was deemed complete by the North Dakota Public Service Commission on June 27, 2024.

Coyote Creek did make one minor edit to the electronic permit. The two bookmarks under Revision 13 for the responses were inadvertently labeled Revision 12. This has been corrected.

Sincerely,

COYOTE CREEK MINING COMPANY, L.L.C.

Jeremy Eckroth
