Dear Mr. Frye:

The Reclamation Division is preparing to recommend Commission approval of Revision No. 44 to Permit NAFK-8405 at the December 18, 2024 Commission meeting. Consequently, the Falkirk Mining Company must update the ownership and control (business entity) and violation information listed in the Consolidated Legal Information Report, dated September 27, 2024, as required by NDAC 69-05.2-06-01(2)(d) and NDAC 69-05.2-06-02(6)(d), or certify, under oath and in writing, that the current information is still accurate, complete, and up to date. Any updated information submitted for the permit revision application will be subject to an evaluation by OSM's Applicant Violator System prior to revision approval. This information must be filed with our office no later than **5:00 pm Monday, December 9th**.

Also, please provide us with five (5) clean copies of this revision application so that copies can be mailed to OSM and BLM offices upon approval.

Please contact this office if you have any questions.

Sincerely,

Jonathan Emmer
Director
Reclamation Division
